**Gospel Reflection**

If you could ask anything from God, what would it be? This is an important question, and how we answer it can be very telling. We want many things, and not all of them are bad, but what is worth more than all else? What could be the ultimate treasure worth selling everything for? What would be that pearl so precious that it would be better to go naked and hungry and homeless than to lose?

We may want money, power, pleasure, or honour, but anyone who possesses such things would tell you that they are not as fulfilling as we think they are.

There is one who is the pearl of great price, and His name is Jesus of Nazareth.

Matthew 13: 45-46

**From Gloom to Praise***A message from Fr. Kendrick*

Several months ago the world was in a state of near panic.

Looking at Italy overwhelmed by a strange virus and knowing that it was only a matter of time before it would find its way to our country was cause for great concern. We were afraid. Turning the clock ahead to the present, it is interesting to see how people's attitudes have changed.

We are now bored of the whole thing; It has lost its novelty. I learned that some are calling it COVID fatigue.

Before we feel too sorry for ourselves, I think there are some thanks in order. Did we not pray for protection? And here we are. Sure we are not out of the woods yet, but

praise God things didn't go worse than they did. Praise God our fears did not come true. In all things God is to be praised. And by praising God, we will realize that things are not as glum as they seem, but that this is only part of a

greater story, one that ends with the wedding feast of the Lamb.
