**Gospel Reflection**

What does it mean that Jesus walked on the water? In Genesis we hear that the earth was a formless void and the Spirit of God hovered over the water. Now let's consider what Job said about God: "...[God] alone stretched out the heavens and trampled the waves of the Sea" (Job 9:8). And in the psalms, we hear, "Then they cried to the Lord in their trouble, and he brought them out from their distress; he made the storm be still, and the waves of the sea were hushed. Then they were glad because they had quiet, and he brought them to their desired haven" (Psalm 107:28-30). Can there be any doubt who this is who comes? The disciples give the right response: "And those in the boat worshipped him, saying, 'Truly you are the Son of God.'"

**Weekday Mass Schedule***A Message from Father Kendrick*

I've decided to change my weekday Mass schedule.

The current schedule sort of happened. It started when we could not have public Mass and I wanted to have some hours when the churches could be open for people to pray.

Then I started live-streaming weekday Masses, followed by allowing people to attend weekday Masses.

The difficulty is it doesn't lend itself well for me to have a day off, which I should do.

The new trial schedule is very similar to how things were before covid but with some extra time in Pierceland and Loon Lake.

I'm open to feedback, especially for the open church hours.

I like the idea of opening the churches to make myself available for if people want to talk about something, go to confession, or simply spend time in the church with the Lord.

If you have suggestions for how I can accommodate you better, by all means, let me know.

**ALL SUNDAY MASS WILL BE LIVE STREAMED**

Access is the same as the weekday masses:
