John the Baptist has been helping us prepare for our Lord's coming with his preaching and call for repentance. Now it is our Lady's turn. She who is most humble and in tune with God, allows God to enter into a world that otherwise has rejected Him. God never imposes.

He did not want to barge into His creation.

Mary, being preserved by a special grace from sin, was the only person who had the perfect freedom

required to give a perfect yes to the proposal of God. She is the gate through which the Word of God entered into the world in the flesh. It is also through her, that we will come to welcome Christ into our hearts this

Christmas, saying with Mary "Here am I, the servant of the Lord; let it be done to me according to your word."

Christmas Mass Registration and Opportunities for Anonymous Confession.*A Message from Fr. Kendrick*

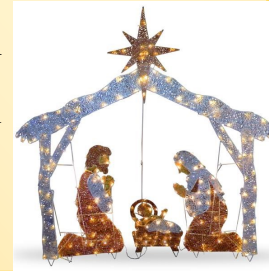

Well after much uncertainty, we finally have an answer about what we can and cannot do for Christmas.

It's not great, but it could be worse. Christmas Masses will be limited to 30 people, so it will be by registration only. Hopefully most will be able to attend one of the Masses. I will also try to livestream as always. If you lost the link, you can easily find it on the St. Boniface website. <https://www.stbonifacegoodsoil.com>

Regarding confessions, I am praying that you all find the courage to come. Someone advised me that some are uncomfortable with face to face confessions, so I am arranging curtains for anonymous confessions at the churches. In addition to being available the 40 minutes before each mass (not including the 10 minutes right before mass) and some time

after mass, I am going to be in the cry room at St. Boniface from 12:00 Noon until 6:50pm on Wednesday 23rd, and in the office at St. Antoninus from 3:00pm to 6:50pm on Tuesday 22nd.

And I'm always available by appointment too.
