**Reflection** Today marks the end of the Christmas season. The Saviour of the world has been manifest, and this manifestation has gone public with our Lord's baptism in the Jordan river. The Father's voice has sounded,

*"You are my Son, the Beloved; with you I*

*am well pleased."* We have celebrated the coming of our Saviour, we have celebrated His appearance, and now we celebrate His mission. Today He is baptized into the waters of repentant sinners, not to get clean, as all others do, but to get dirty. It is time for Him to go to work. He came to save sinners, not by pulling us up, but by stepping into the mud and raising us up.

### Bible in a Year!

*A Message from Fr. Kendrick*

I would like to draw your attention to an amazing opportunity.

Fr. Mike Schmitz is an extremely gifted communicator in our time, highly respected and solid. He, and the good people at Ascension Press have worked together to produce an audio **Bible in a Year**. Fr. Mike reads the text (you can follow along or simply listen), and he will give a brief catechesis on the text that day. Each day's audio is only about 20 minutes. What is marvellous about this is it is **100% free** and of the highest quality. It is also unique because it is a reading through of the entire Catholic Bible in a way that moves through the Bible story chronologically so you don't get confused or loose sight of the great Story. It started Jan 1, but you can begin any time.

You can listen here: <https://media.ascensionpress.com/category/ascension-podcasts/bibleinayear> and you can

sign up with your favourite podcast app. For those of you with limited internet, because it is only audio, it will probably only use a little more than 1GB of data per month.

If you are confused about the technology, this will be worth you getting help to get set up. Get your kids or grandkids to help you. Or give me a call, and we'll see if there is a way of getting you connected
