In all our necessities, trials, and difficulties, no better or safer aid exists for us than prayer and hope that God will provide for us by the means He desires.

St. John of the Cross

Be reconciled to God. (2 Corinthians 5:20)

These four words from St. Paul are a great summary of what Lent is all about.

But just what does it mean to “be reconciled to God” (2 Corinthians 5:20)?

For Paul, reconciliation with God meant to be restored to God’s favor.

He taught that we have all turned away from God through sin, but that in Christ, God has brought us back. By coming into this world as a man and offering Himself on the cross, Jesus has repaired the breach in our relationship with God. He has done something we could never do on our own. “All this,” Paul wrote, “is from God, who has reconciled us to himself through Christ” (2 Corinthians 5:18). Now the Lord asks us to receive the favor He holds out to us.

And what favor it is! We can live as sons and daughters of God; we can experience all the riches of heaven filling our hearts. Sin might cloud our relationship with Him, but our heavenly Father continues to offer us His mercy. It’s as if we hear God calling out to us personally as we read Paul’s words.

We can hear our Father’s pleas in today’s Gospel story of the prodigal son, too. The father of the prodigal stands ready, on the lookout, to welcome his wayward younger son back into the family. And he goes out to beg his resentful older son to join him and experience the fullness of life that is already his.

Lent is a perfect season to lay hold of this restoration in a new and deeper way. And what better way to do it than through the Sacrament of Reconciliation! The examination of conscience can help you prepare to receive this sacrament with an open heart. So let your heavenly Father restore you through the life-giving power of Jesus’ death and resurrection. Listen to his voice as he pleads with you to receive all the riches of His “home.”

It’s all there—come and receive it!

“Lord, I say yes to the reconciliation you offer me!”
